EXPERIENCE

Junior Financial Analyst

FinTech Innovations 📅 January 2025 - Present 📍 Ann Arbor, MI

As a Junior Financial Analyst, responsibilities include data mining, reporting, and communication across teams. This role supports overall cash management process improvements through detailed analysis.

- Conduct data analysis influencing cash management strategies.
- Collaborate proactively with cross-departmental teams enhancing operational efficiency.
- Prepare presentations for leadership displaying critical analytics that inform decisions.
- Identify workflow gaps and execute solutions boosting accuracy in financial reporting.

Financial Analyst Intern

Greenwood Financial Group 📅 June 2024 - December 2024 📍 Grand Rapids, MI

Interning at Greenwood offered exposure to transaction-focused analysis including ATM and card services. Engaged deeply with the finance team, fostering robust discussion surrounding analyses.

- Analyzed transactional data for various services reducing identified risks effectively.
- Supported reporting practices enabling transparency and informed decision-making.
- Attended regular meetings collaborating with team leads sharing progress and results.
- Built strong relationships within finance department contributing positively towards project goals.

Academic Research

University Project 📅 September 2023 - April 2024 📍 Remote

Evaluating financial models in an academic setting allowed for deep context theory and application fusion, driving innovative suggestions backed by research.

- Conducted thorough literature reviews synthesizing extensive data sets into viable conclusions.
- Led collaborative efforts pinpointing effective finance strategies fuelled by analysis.
- Presented complex findings confirming contributions after assessments to professors.
- Engaged peers discussing methodology effects and adjusting for maximal relevance.

LEADERSHIP & AWARDS

- Received Best Analytical Presentation Award at University Finance Development Fund
- Awarded Dean's List for Academic Excellence, University of Michigan

CERTIFICATIONS

- Financial Analyst Certification 📅 2025
