STRENGTHS

- Analytical Thinking**
Turn raw data into insightful reports. Show failed analysis examples leading to better future expectations. Always striving for precision.
- Team Collaboration**
Frequently connect with diverse teams. Lift spirits with open dialogues—many believe I'm approachable for intense discussions.
- Strong Communication Skills**
Presentations are designed clearly influencing both managerial perspectives and peer understanding. Noticed improvement and trust grew.
- Proactive Problem Solver**
Address challenges with collective solutions accrued from shared insights with peers—tangible repercussions yield great team morale.
- Effective Time Management**
Crisp organization reduces burnout while juggling deadlines with school and internships—all tasks seen through efficiently.

EXPERIENCE

Junior Financial Analyst

FinTech Innovations 📅 January 2025 - Present 📍 Ann Arbor, MI

As a Junior Financial Analyst, responsibilities include data mining, reporting, and communication across teams. This role supports overall cash management process improvements through detailed analysis.

- Conduct data analysis influencing cash management strategies.
- Collaborate proactively with cross-departmental teams enhancing operational efficiency.
- Prepare presentations for leadership displaying critical analytics that inform decisions.
- Identify workflow gaps and execute solutions boosting accuracy in financial reporting.

Financial Analysis Intern

Greenwood Financial Group 📅 June 2024 - December 2024 📍 Grand Rapids, MI

Interning at Greenwood offered exposure to transaction-focused analysis including ATM and card services. Engaged deeply with the finance team, fostering robust discussion surrounding analyses.

- Analyzed transactional data for various services reducing identified risks effectively.
- Supported reporting practices enabling transparency and informed decision-making.
- Attended regular meetings collaborating with team leads sharing progress and results.
- Built strong relationships within finance department contributing positively towards project goals.

Academic Research

University Project 📅 September 2023 - April 2024 📍 Remote

LANGUAGES

English Native

Spanish Proficient

MY CAREER

● Junior Financial Analyst at FinTech Innovations (1.4 Years)

● Financial Analysis Intern at Greenwood Financial Group (6 Months)

● Academic Research at University Project (7 Months)

Evaluating financial models in an academic setting allowed for deep context theory and application fusion, driving innovative suggestions backed by research.

- Conducted thorough literature reviews synthesizing extensive data sets into viable conclusions.
- Led collaborative efforts pinpointing effective finance strategies fuelled by analysis.
- Presented complex findings confirming contributions after assessments to professors.
- Engaged peers discussing methodology effects and adjusting for maximal relevance.

LEADERSHIP & AWARDS

- Received Best Analytical Presentation Award at University Finance Development Fund
- Awarded Dean's List for Academic Excellence, University of Michigan

CERTIFICATIONS

- Financial Analyst Certification 📅 2025
- Introduction to Data Analytics 📅 2026
