STRENGTHS

- 👥 Collaborative Leader**
Encouraging daily collaboration among team members fosters innovation, igniting creativity as they exchange ideas freely.
- 👤 User-Centric Mindset**
Recognizing users' needs as central drives design decisions, enhancing engagement and satisfaction with final products.
- 🔄 Adaptability**
Rapid adjustments in design methods adapt efficiently to incorporate new AI tools, reflecting flexibility in an evolving industry.
- 🗣️ Strong Communicator**
Utilizing effective presentation skills instills confidence among diverse audiences, engaging stakeholders in every stage of design.
- 👨‍🎓 Mentorship**
Offering guidance and support cultivates talent and encourages junior team members to showcase their potential boldly.

SUMMARY

Accomplished UX/UI Design Lead with over 7 years of experience in digital experience design and product development. Proven track record arises from leading complex projects and establishing design direction that aligns user needs with business goals. Hands-on expertise covers creating scalable design systems while promoting accessibility standards. A strong passion for mentoring nurtures a collaborative team culture, encouraging junior designers' growth into confident professionals. Committed to leveraging innovative tools and AI capabilities boosts efficiency and enhances overall design processes.

EXPERIENCE

UX/UI Design Lead

Creative Solutions Agency 📅 January 2023 – Present 📍 Chicago, IL

Lead UX/UI design across pivotal client engagements, ensuring alignment with strategic business goals and customer insights. Responsible for the entire project lifecycle from initial discovery through implementation and optimization.

- Spearheaded UX/UI design across multiple high-stakes client projects, ensuring alignment with strategic objectives and user insights.
- Drove end-to-end project delivery, enhancing consistency and collaboration, focusing on the completion of comprehensive style guide codification.
- Developed and implemented scalable design systems within Figma, improving team efficiency and speeding up project turnaround times.
- Conducted extensive UX research, including interviews and usability testing, deriving actionable insights to inform design strategies.
- Championed inclusive design practices, sustaining usability and accessibility standards throughout all deliverables.
- Mentored junior designers by providing constructive feedback and fostering their professional growth through active coaching.

Senior UX Designer

Digital Innovations Co. 📅 March 2019 – December 2022 📍 Chicago, IL

Oversaw design engagements and led collaborative efforts with multi-disciplinary teams to translate user requirements into accessible designs. Established successful communication in presenting design rationale to stakeholders.

- Led design engagements for various digital platforms, translating complex user requirements into intuitive, accessible designs.
- Worked closely with cross-functional teams to ensure smooth implementation of design solutions, integrating new AI tools.
- Facilitated workshops and presented designs effectively to gather stakeholder feedback.
- Enhanced workflows by adopting novel methodologies and technologies, streamlining design processes.
- Created detailed user personas and journey maps, contributing significantly to improved user satisfaction metrics.
- Cultivated a culture of design critique to encourage creative thinking and innovation within the team.

UX/UI Designer

Design Hub Inc. 📅 June 2016 – February 2019 📍 Chicago, IL

Focused on user-centered design principles, crafting interfaces for diverse applications. Fostered collaboration among developers to promote holistic user experiences and maintain consistent design language.

- Designed and prototyped user interfaces for web and mobile applications, centering around user-centered design principles.
- Conducted user testing sessions, refining designs based on direct feedback to elevate usability.
