STRENGTHS

- ✔️ **Inventory Accuracy**
During busy receiving periods, careful scans and quiet rechecks helped resolve discrepancies before product reached storage.
- ⚙️ **Equipment Safety**
Forklift and pallet jack work stayed deliberate around shared aisles, earning trust from teammates during crowded shifts.
- ☰ **Order Fulfillment**
Voice directed picking kept attention on each case, with label checks supporting clean handoffs and accurate staging.
- ❄️ **Cold Storage Discipline**
Extended work in freezer and cooler areas demanded steady habits, and product rotation stayed orderly throughout.
- 👥 **Team Coordination**
Short, clear updates helped receiving, staging, and loading stay connected when priorities shifted during a shift.

SUMMARY

Warehouse associate with four years of **foodservice distribution** experience across picking, packing, staging, receiving, inspection, loading, inventory control, and multi temperature operations. Experienced with **electric pallet jacks**, forklifts, RF scanners, **handheld scanners**, **voice directed picking**, warehouse management systems, cycle counts, spot checks, and FEFO procedures. Maintains accurate records, organized work areas, sanitation standards, quality controls, and safe operating practices across dry, cooler, and freezer environments. Resolves discrepancies carefully, troubleshoots routine equipment issues, and communicates clearly with coworkers and supervisors. Reliable performance includes repetitive lifting, extended standing, early morning schedules, weekend coverage, and holiday availability. Ready to contribute steady execution, sound judgment, and careful product handling within a fast paced distribution operation.

EXPERIENCE

Warehouse Associate II

Chesapeake Food Logistics 📅 October 2024 - Present 📍 Frederick, MD

Supports daily foodservice distribution across picking, receiving, staging, loading, **inventory accuracy**, equipment operation, and multi temperature product handling. Works independently within established procedures while coordinating quietly with supervisors and teammates to keep orders accurate and moving.

- Picked foodservice orders with **RF scanners** and voice systems, preserving accuracy during early morning production.
- Received and inspected product in cooler and freezer zones, recording discrepancies before storage.
- Staged and loaded outbound pallets with **electric pallet jacks**, supporting orderly route departures.
- Applied FEFO procedures during **cycle counts**, **spot checks**, and inventory location reviews.
- Operated **forklifts** safely while moving product through dry, cooler, and freezer environments.
- Maintained clean work areas through sanitation routines, equipment checks, and documented safety practices.

Warehouse Associate

Potomac Distribution Center 📅 September 2022 - September 2024 📍 Hagerstown, MD

Handled core warehouse operations for foodservice distribution, including order preparation, receiving, product movement, inventory checks, and shipment staging. Balanced physical work with careful documentation, equipment safety, and steady communication across changing daily priorities.

- Packed customer orders from voice directed tasks, checking labels before final **staging**.
- Used **handheld scanners** and warehouse systems to update product movements and maintain traceable records.
- Completed **cycle counts** and spot checks, researching variances before escalating unresolved discrepancies.
- Loaded delivery pallets with forklifts and **electric pallet jacks** under established safety procedures.
- Inspected incoming cases for condition, quantity, labeling, and appropriate storage temperature.
- Kept aisles organized and workstations sanitary across dry, **cooler**, and **freezer** areas.

Warehouse Operations Assistant

Monocacy Fulfillment Services 📅 September 2021 - August 2022 📍 Frederick, MD

Built foundational warehouse experience through supervised **picking**, receiving, staging, inventory support, equipment operation, and shipment preparation. Developed dependable habits around safe lifting, accurate scanning, product quality, sanitation, and communication with experienced

MY CAREER

- Warehouse Associate II at Chesapeake Food Logistics (1.9 Years)
- Warehouse Associate at Potomac Distribution Center (2 Years)
- Warehouse Operations Assistant at Monocacy Fulfillment Services (11 Months)

- distribution teams.
- Supported **order picking** with **RF scanners**, confirming products and quantities before pallet staging.
 - Received cases and compared deliveries against records, flagging visible damage or quantity differences.
 - Moved inventory with **electric pallet jacks** after completing required equipment safety checks.
 - Assisted forklift operators with organized staging, clear travel paths, and secure pallet placement.
 - Recorded cycle count results and followed **FEFO** rotation guidance during replenishment activities.
 - Maintained clean areas and followed **sanitation**, quality, and personal safety procedures throughout shifts.

PROJECTS

- Multi Temperature Inventory Control** 📅 2024
- Supported a practical inventory control effort across dry, cooler, and freezer locations. Combined FEFO rotation, cycle counts, spot checks, and scanner records to keep product movement visible and storage areas orderly.
- Voice Directed Order Flow** 📅 2023
- Helped improve daily order flow through voice directed picking, handheld scanning, organized staging, and careful label review. Small checks reduced confusion during busy outbound periods and supported dependable shipment preparation.

LEADERSHIP & AWARDS

- Forklift Safety Recognition, recognized for consistent safe equipment operation and careful product movement during 2026.
- Reliable Operations Recognition, acknowledged for dependable attendance, accurate work, and steady support during demanding warehouse shifts.

EDUCATION

- High School Diploma**
- Frederick High School 🎓 GPA: 3.0 📅 2021 📍 Frederick, MD
