SUMMARY

Dedicated warehouse professional with over a year of experience in distribution and supply chain environments. Committed to maintaining high safety standards while efficiently managing physical demands, including lifting heavy items and operating powered industrial trucks. Recognized for exceptional teamwork and adaptability in fast-paced settings. Contributed to significant improvements in operations, such as reduced loading times through optimized techniques. Eager to join ThermoTech Solutions and be part of a mission-driven team that positively impacts global health and safety.

EXPERIENCE

Stock Handler June 2025 - Present
SupplyChain Logistics *Birmingham, AL*

Support operations in a bustling warehouse environment by managing inventory and logistics. Focus on safely operating forklifts and order pickers while ensuring compliance with industry regulations.

- Operate forklifts and order pickers to manage inventory efficiently.
- Comply with safety protocols using personal protective equipment.
- Collaborate with team members to enhance sorting and distribution processes.
- Conduct inventory checks, addressing discrepancies effectively.
- Assist in training new teammates on operational and safety standards.
- Achieved faster loading times with improved stacking techniques.

Warehouse Associate January 2025 - May 2025
LogisticsCo *Montgomery, AL*

Contributed to effective warehouse operations through meticulous attention to detail and collaboration. Handled shipments while ensuring all items met quality expectations for outgoing orders.

- Managed incoming and outgoing shipments with accuracy.
- Maintained an orderly workspace compliant with safety regulations.
- Executed physical tasks involving lifting items up to 40 lbs safely.
- Supported the implementation of an enhanced inventory system for tracking.
- Participated in discussions for improvement initiatives in operations.
- Facilitated safety audits and conducted training sessions for colleagues.
