EXPERIENCE

Content Creator

University Project 📅 January 2025 – June 2026 📍 Sioux Falls, SD

Content Creator focused on midlife wellness. Specialized in developing engaging video content promoting health tips for women aged 45-64. Collaborated effectively with diverse teams, utilizing advanced video editing tools to enhance engagement. Integrated feedback loops into production processes, driving content evolution to align with audience needs.

- Produced high-quality videos addressing topics like fat loss, exercise routines, and hormonal balance.
- Collaborated on scriptwriting and storyboarding, aligning productions with viewers' interests.
- Utilized analytics to guide improvements in viewer engagement across various platforms.
- Responded to audience feedback actively, refining future videos for maximum resonance.
- Conducted thorough research on relevant health topics, ensuring content integrity and factual accuracy.
- Showcased creative projects to professors, garnering recognition for innovative storytelling.

Team Lead

Hackathon Project 📅 March 2025 📍 Sioux Falls, SD

Led a dynamic team in producing wellness-themed videos during a significant hackathon event. Inspired collaboration yielded innovative insights into midlife wellness challenges, directly contributing to high-quality content deliverables.

Spanish Intermediate

MY CAREER

● Content Creator at University Project (1.4 Years)

- Steered project direction, fostering teamwork during tight time constraints to ensure timely delivery of compelling wellness videos.
- Implemented project management tools that streamlined workflows and enhanced task division.
- Extracted input from team members and participants, cultivating a collaborative atmosphere that nurtured creativity.
- Presented final video content to over 100 attendees, receiving accolades for relatability.
- Executed a strategic post-hackathon social media campaign to amplify viewership.
- Compiled comprehensive documentation on project processes and outcomes for future reference.
